WALKER TO HOST BUDGET WORKSHOPS

MILWAUKEE – County Executive Scott Walker will host a series of interactive workshops for community input on the 2007 budget. Each session will begin with an overview of the budget process and the county's financial situation. Attendees will then break into small groups to discuss ideas, areas of concern, and experience the tough choices that need to be made. Copies of requested budget items will be provided and facilitators are available to help assist with questions.

The sessions will conclude with the groups reporting priorities and recommendations. "This format has worked successfully for the last two years and I look forward to the public's input in the budget process," said Walker.

Individuals who plan on attending one of these workshops and particularly those requiring special assistance should call (414) 278-4211.
